EXPERIENCE

UI/UX Designer | Whitecap Canada, Inc.

9/2019 - present, Toronto ON

Collaboratively developed several website designs, led client meetings to understand requirements, present work, and get feedback, and implemented design concepts in WordPress and HTML/CSS. Clients include The Canadian Cancer Society, Woodbine Entertainment Group and Miele.

UI/UX Design Intern | The Globe and Mail

4/2019 - 8/2019, Toronto ON

Designed logos, wireframes and prototypes for internal usage by The Globe and Mail's advertising and editorial teams, working closely with the end-users to gain feedback. Designs worked on during this internship are currently in production for use by The Globe's staff.

Graduate Research Assistant | OCAD University

9/2017 - 5/2019, Toronto ON

One of three participants chosen to represent the university at the internationally renowned conference IEEE Vis, in Berlin, Germany. Worked with industry professionals to design interactive prototypes fitting project requirements and led numerous client meetings to present work and get feedback. Co-wrote articles for submission to accredited research journals.

Freelance Graphic Designer | Self-Employed

2013 - present, Remote

Working with a variety of clients spanning multiple industries, duties included meeting with clients to create positive relationships, understanding project requirements and applying revisions, project and time management, creating contracts and invoices, and preparing design files ready for print and web.
